Re; Cottier and Bates

Dear Sir;

These are the two family names in which I am interested, specifically Daniel Cottier and William Bates

In the first place my mother told me that Cottier was her great great grandfather-that Cottier's daughter married a Bates- that Bates was a U.E.L.-that John Bates was last of the Bates name in her family.

Through land deeds of Lot 17 Con.I in Ernesttown I established the connection of Cottier and Bates. Please refer to the charts I made.

I believe that William Cottier had no children- that most likely Daniel was his brother and had only one daughter Catherine who married William Bates.

William and Catherine Bates had a son John who died under unexplained circumstances- a daughter Rebecca who married Azel Buck- a daughter Catherine who married David Henderson.

David Henderson's family were millers and moved to Ernesttown from Beauport, Quebec about 1835.

David and Catherine Henderson had a daughter Annie who married William Thomas Bowman and they were my mother's parents.

A record from the Anglican church regarding Catherine Bates which I would like to know more about.

"Mary Sophia Meeland-daughter of Ed. Meeland and Catherine Bates
Born Feb. 1st. 1853-baptised June 2nd. 1853
sponsors David and Elizabeth Bowman"

I have been reading a little book loaned to me by Rita Rickey which I have found very interesting and would like to purchase a copy or more than one if possible. "Forgotten Leaves of Local History"

I would appreciate it if you could provide information regarding Cottier and Bates and I wouldn't expect it for nothing. It is very unlikely I know anything of help to you that you Don't already have.

Sincerely

John H. Earl

William Cottier Papers.

East Half of

The Lot No. 17, Concession 1, Ernesttown, just west of Mill Creek, was drawn by John Scott, M. E., a member of the Loyal Rangers. With him was his wife, Mary, and one child, when he sold the lot to William Cottier for £60, ^{on} 22 Sept., 1789. Soon afterward, Scott + family returned to the United States.

A receipt dated 6 Sept., 1790, signed by John Scott, was paid and confirmed by Robert Clark, J. P.

It would appear that the West Half of Lot 17, Concession 1, had been drawn by George Bangerhausen, who died intestate prior to 22 October 1795. The disposal of this part of the lot was carried out by Nicholas Amey.
